Summary

Content writer and digital coordinator with experience creating and managing content across radio, faith-based media, and fintech platforms. Skilled at writing scripts, captions, and campaign content, then carrying that content through to publishing, performance tracking, and audience engagement. Comfortable working across multiple platforms and content types, from broadcast scripts to social media copy to digital campaigns. Strong project management background ensures content is delivered on time and aligned with broader goals.

Work Experience

January 2024 – present

Nigeria

Digital Content Coordinator, Communion Christian Center

- Write and develop digital content across multiple platforms to enhance visibility and engagement
- Analyze performance metrics using analytics tools to optimize content strategies and improve audience reach
